Profile Summary

Creative and adaptable graduate of English and Literary Studies with strong communication, writing, and research skills. Currently seeking a Digital Marketing Internship to gain hands-on experience in content creation, social media management, and online brand engagement. Skilled in organizing tasks, analyzing information, and producing compelling content. In addition to my marketing interests, I am undergoing training in Frontend Engineering, which has strengthened my adaptability, problem-solving skills, and ability to work with digital tools and online platforms.

Education

B.A English and Literary Studies
